"MAKE HAY WHILE THE SUN SHINES."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by Freeman Bros.

Strayed or Stolen

From the premises of W. G. Tidwell on Knob Creek on Monday evening the 23rd day of July 1906, one light colored bay mare mule 3 years old about 143 hands high with no blemishes, perfectly gentle. I will pay a liberal reward to any person who will give me information where I can find said mule, or for the delivery of said mule to me.

SUMMER DIARRHOEA IN CHILDREN.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockard, Pastor of the first M. E. Church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Freeman Bros.

To All Democratic Voters:

If there ever was a time in the history of the Democratic Party for the manifestation of loyalty and patriotism on the part of its members, it is right now.

If we are to win a victory and elect a President two years hence we must first elect a House of Representatives this fall. A Democratic Congress can and will investigate every department of the Government. With all of them honeycombed by "graft" the edges of which, only, have been touched by recent exposure and prosecutions, there will be a revelation of rottenness that will astound the country and create a demand for a Democratic administration to clean the Government workshop.

To win the House we need money to defray legitimate expenses and get out our vote. We have no protected monopolies from which to draw to fill our coffers, as they do those of the Republican party. We must, therefore, appeal to loyal Democrats for contributions.

Will you send us \$1.00 at once, and in return for this we will send you copies of our campaign literature issued by the Committee. You will have the thanks of the entire Democratic party for your favorable response to our request.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHEEY & Co., TOLEDO, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
